

Set Up Account

1. Once you are connected and your Controller Hub is activated, you will agree to the terms and conditions at the bottom of the screen. Then, you will be asked to create an account.
2. In order to set up an account, you will need an email address, a username and password.
 - Please select a username that is unique to you and a password that contains numbers, letters and symbols.
 - As with other online accounts, having a unique password that is not easy to guess is an important safety precaution that you can take.
3. Follow the instructions on the screen.
 - You will be asked to verify your email address and will receive notification that you have successfully set up your account.
 - If you do not receive an email or if your new username and password are not working, please call our tech support line at **1-855-81-CONNECT** or email us at support@connectedannapolis.com.
